MOTIONS FOR ADJOURNMENT.

1 P.M.

Loss and distress caused on account of heavy floods in Cauvery and Kapila.

Mr. SPEAKER.—I have received a number of motions for adjournment. The first one runs like this :—

"That this House do stand adjourned to discuss a definite matter of public importance and of recent occurrence, namely, the material loss in the form of crops, houses, caused by the Kapila floods on 7th July 1953, to the people inhabiting on both banks of the river."

This was sent by Sri M. Linganna on the 11th instant. A similar adjournment motion stands in the names of Sri B. Rachiah and Sri U. M. Madappa regarding the "damage, loss and distress caused to the people on account of heavy floods of rivers Cauvery and Kapini from the 6th to 8th instant." The subject matter contained in the latter adjournment motion seems to be wider because it includes Cauvery. It is left to Sri Linganna whether he would give preference to the second adjournment motion.

Sri K. HANUMANTHAIYA (Chief Minister).—Cauvery does not flow in his constituency. Therefore, he has not taken notice of it. (Laughter).
